Re: Windward Bora v Weiss CASE: 20 cv 03668-FB-JAM

Honorable Joseph A. Marutollo:

I write in response to the order to show cause why sanctions should not be issued to plaintiff for failure to appear at the telephone conference scheduled for 4 PM today.

Unfortunately, a circuit breaker caused a loss of power which shut down our computer and phone system. As soon as power was restored, I called into the conference. This was approximately at 4:12 PM.

I apologize to the court and to my opposing counsel.

Respectfully,
/ s / Lawrence Katz
